of W. H. HARRISON the famous oculist, New York, N.Y., writes: "I was a recent sufferer from cataract for three years, and I could hardly see the hand before me, and was constantly breathing and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Recently, I was advised to use Dr. Sam'l. Remond's Remedy, and I am now a well man. I believe it to be the only sure remedy for cataract now manufactured, as it has only to give it a fair trial to experience astounding results, and a permanent cure."
